MEMORANDUM FOR: Board of Editors, Studies in Intelligence

SUBJECT: Special Board Meeting on Awards

You should have been advised by telephone that the Board of Editors will convene at 2:30 p.m. Friday 14 March in Room 7E62 Headquarters for the purpose of selecting winners of the annual Studies in Intelligence and Sherman Kent awards.

My memorandum of 23 January, enclosing copies of the last four issues of Studies, suggested a range of possibilities for the awards.
